to Portuguese: Household Deities General field: Social

Sciences Detailed field: Religion Source text - English A

household deity is a deity or spirit that protects the home, looking after the entire household or certain key members. By exploring in some detail their publications within the Revista

de Occidente, I hope to have illustrated by example revised 2nd edn (Brilliant Business) criteria of the publication for the selection of its content with regard to essays on science, in particular, that these articles explore in some way the relationship between pure science and the world that surrounds it-that is, science as it exists within cultural constructs.
