Dean MacEwen, M. It is the position of NCFCA that intercountry and transracial adoption should remain a part of a holistic, complete, and well-rounded child welfare policy - one that must also include services to help keep struggling families intact whenever possible, as well as the development of domestic adoption programs within those countries that have

large numbers of orphaned or abandoned children - in order to help as many children as possible find the love and permanency they deserve in a timely manner.
