## **The Eyes of Myra**

Sep 23, Bojan Tunguz rated it it was amazing. In an harmonious analogy uniting old and new, past and present, both tourists with their smartphones flash light apps, and living historians in period clothes with dangling lanterns, payed their respects.

## **Whats Your Story?: Questions That Spark Connection And Understanding**

If such testing reveals the presence of one or more such mutations, and if this individual has children, the moral issue of whether any such children should be informed, immediately, and if they are so informed, the moral issue of whether such children should choose, themselves, to be tested, both become of paramount importance, if only because, depending on the outcome of the genetic testing of these children, the fate of any of their children already in existence or as future possibilities would be a concern. Gullickson, T.
