FINANCING : Nations seldom realize till too late how prominent a place a sound system of finance holds among the vital elements of national stability and well-being; how few political changes are worth purchasing by its sacrifice; how widely and seriously human happiness is affected by the downfall or the perturbation of national credit, of by excessive, injudicious, and unjust taxation. In a short time all African-American troops were known as Buffalo Soldiers. If there is no visible eye of the axe in the top of the axe head then it counts where the handle would meet if going straight. Elaine, thank you.
