With access to his father's files, Light can keep one step ahead of the authorities. During his first term, Hoover had tried to ingratiate himself with southern segregationists, and his administration had failed to implement economic policies to help African Americans laid low by the Great Depression. That aside, the story is really action-packed and there were many times where I did not anticipate what was coming. Deaf people who moved into the new [Owns and cities created by the industrial revolution would have found other deaf people with whom they could socialise.
