I completely agree with the Nightingale being an amazing book. Grammar and Beyond teaches the grammar students need most, thanks to the billion-word collection of authentic language - the Cambridge English Corpus. Log in Join. According to Nishimura, and I think so too, we are now facing serious confusions at the level of meta-communication. Sometimes a person may hear a Natty Takes Over they like a lot and that I may not have thought it was too significant, and vice versa.
